Quote Disclaimer/Notes

- Please be advised that pending tariffs could inordinately increase domestic costs on imported products and QXO can only honor a manufacturer's quote to the same extent that the manufacturer honors its quote to QXO.
- Where project pricing is based on full truckload quantities; warehouse orders cannot be sold at the full truck price.
- All quotes are subject to freight, material/fuel surcharges, hazmat fees, and deficit freight fees for partial truck shipments.
- Quantities and materials listed are based on our interpretation of the project, it is the customer's responsibility to review all plans and specs for accuracy.
- Listed quantities are estimates only, QXO will not be responsible for overages or shortages on the quantities provided.
- Non-stock and special order material cannot be returned to a QXO facility.
- Please refer to the project quote # when placing an order for this project.
